

Flexible Working Programme for Multi-Academy Trusts and Schools

Funded by the Department for Education

Flexible working support

Capita, funded by the Department for Education (DfE), are delivering a programme to promote flexible working practices in Multi-Academy Trusts and schools, which includes a series of free training and support webinars.

Webinar and resource topics will include, amongst others:

- Implementing flexible working
- Best-practice and case studies
- Diversity in the workforce
- Co-leadership and job sharing

In partnership with Flexible Teacher Talent and Flexible Working Ambassador Multi-Academy Trusts and Schools (FWAMS), we will deliver a programme to increase the awareness of the types of flexible working and provide information, advice and guidance to implement flexible working successfully.
