Dear Parent/Carer

Year 11 English Masterclasses

Following the recent mock exams and in preparation for the final summer English Language and English Literature exams, we would like to invite your son/daughter to attend a series of revision masterclasses.

These masterclasses will take place via Teams, from 4pm to 4.40pm starting on Thursday 22 February, and will run weekly until the Easter holidays, with the last session on Thursday 21 March 2024.

The focused additional sessions are aimed at students wanting to achieve maximum progress and will focus on each aspect of the four exams. The sessions will be delivered by English teachers who are experienced AQA exam board markers.

Session number one will focus on English Language Paper 2, question 5. The focus for the remaining sessions will be published in the weekly bulletin. The focus will cover skills needed in both English Language and Literature papers. They are designed to complement the focused programme conducted in normal English lessons.

We expect all invited students to attend and we welcome your support in encouraging your son/daughter to take up this opportunity.

Yours sincerely

Mrs C Lythe
KS4 English Programme Leader
