Dear Year 13 Parents/Carers and Students

Higher Education finance is an important issue for students and their families. With this in mind I have invited Jonathan Croall, Head of Student Finance, University of Huddersfield to provide an update and information specifically aimed at the parents of students entering Higher Education in 2019.

The presentation will be held on **Wednesday 13 February** at 7.00pm in The Forum. The presentation is expected to last approximately one hour.

If you are unable to attend, please refer to <https://www.gov.uk/student-finance> which provides very useful information for both students and parents/carers.

Yours sincerely

Neil Renton

Associate Headteacher
