

HARROGATE  
GRAMMAR SCHOOL  
EXCELLENCE FOR ALL

April 2019

Dear Parents and Carers

**RE: ARRANGEMENTS FOR YEAR 11**

As we approach the examination period, which begins on Monday 13<sup>th</sup> May, we are writing to inform you of all the arrangements, which are in place for the year 11 students.

This year, given that the exams are more frequent and begin earlier than in the past, we will not be running the year 11 lesson timetable after Friday 10<sup>th</sup> May. You have already received the [examination timetable](#) for your son/daughter, but in addition to the exams scheduled, we have organised a programme of examination preparation sessions. All students will be expected to attend these sessions in the subjects that they study. We rely on your support to emphasise the importance of these sessions. Before attending these sessions, students must **sign in at Main Reception** (not the student reception), where they must also sign out again when they leave school.

If students wish to revise at school during the examination period, they may go to the Learning Resource Centre.

The final Year 11 Assembly will take place in the Main Hall on Thursday 23<sup>rd</sup> May after the English Literature examination. All students must empty their lockers by this date and take home all their belongings.

The GCSE examination results will be released on Thursday 22<sup>nd</sup> August and students will be able to come to the Forum from 9.00 am on the day. The Sixth Form team will be present throughout the results period to respond to enquiries and manage the transition into Sixth Form. In addition, our independent [Careers Adviser](#), Mrs Ann Tunstall, will be available to support students. Any results which are not collected on the day will be automatically forwarded to the student's home address.

We would like to take this opportunity to wish your son/daughter all the very best in the forthcoming exams and hope that he/she will make the most of the revision and support opportunities available.

We thank you all for your continued support.

Yours sincerely

Mrs Moat  
Associate Headteacher

Mr Mason  
Director of Upper School

**Intensive Study Period for Year 11: Exam preparation sessions by subject area**

Date	Subject for revision	Time	Member of staff leading session	Room	External Exams & session on this day
Monday 13th May	Computing	Thu May 9 15:30-16:30	JPG	D13	Computer systems (am)
