May 2019

Dear Parents/Carers,

Please find attached the timetable for the forthcoming Year 10 exam period. The art and photography exams days will be on Thursday 13th and Friday 14th June. The written exams will then begin on Monday 17th June and continue until Tuesday 25th June, following which, normal lessons will resume. Students will receive a more personalised timetable, including which rooms their exams are in, closer to the time.

Students will be expected to attend registration first unless otherwise stated and then make their way to the exam room if they have an exam. All writing equipment must be in a clear, see-through pencil case or plastic bag and any water bottles must have their labels removed.

This session may be the first experience of doing exams in a large hall for some Year 10 students and must be taken very seriously. There must be silence upon entering and leaving the exam room as well as during the exam and exam regulations must be strictly adhered to. This will be an excellent learning experience for them and will get them used to how exams work well before any external exams they sit later on in school.

No bags will be allowed into the Sports Hall and the bag room will be P14 and will be open 15 minutes before the exam start time.

There are opportunities for revision at certain points during the exam period, details of which will be sent out to students after half term, for example where the exams are for option subjects, which not all students do. Students should come prepared for this with relevant revision materials each day.

Normal lessons will begin again for Y10, lesson 4, on Tuesday 25th June.

If you have any further questions please contact the Year 10 Manager, Mrs Bennett.

Good luck to all.

Mrs Moat
Associate Headteacher
