6 March 2020

Dear Parent/Carer

Extra-curricular sports clubs

I hope your son/daughter has been getting involved in the extra-curricular sports clubs running at HGS this year. We were extremely proud to finish 20th in the School Sports Magazine’s “Top 100 State Schools for Sport” and hope that your child has enjoyed being part of that success. This puts HGS in the top 1% of schools nationally.

Our Spring timetable will run until the Easter break, at which time we will publish our Summer clubs and practices, which will run through to July.

Pay per session

If your child has been attending any of the sessions below since Christmas, and you have not already done so, please make payment online for the number of sessions they attended (£2.50 per session). These clubs are run by external coaches who we bring in to complement our sports provision and widen the range of sports available to students. Payment helps to ensure that we are able to continue this provision next academic year. If you are unsure of the number of sessions your child has attended, please ask them to come to the PE Office where they can check the register for their club.

- Mixed Martial Arts
- Recreational Table Tennis
- Recreational Badminton
- Key Stage 3 Dance
- Badminton (Fridays)
- Year 7 Boys Football

Voluntary contributions

If your son/daughter(s) has been attending sessions run by HGS staff or parents, and you haven’t already done so, we would ask you to consider making a one-off voluntary contribution of £20.

This voluntary contribution covers the period from September 2019 to July 2020. There are no limits to the number of HGS-run extra-curricular clubs students can join, although some clubs do have limits on numbers.
Payments can be made through our secure and easy online payments system by following the link below.

Online Payments

On behalf of the staff and student body, may we thank you in advance for your support in helping PE and Sport at Harrogate Grammar School continue to expand, flourish and be successful.

Yours sincerely

Mr C McDonald
Faculty Leader of PE and Sport
