The first written exam takes place in 29 school days!

Top 3

Top 3 things to focus on this week:

1. **Commitment**: This week is Charities Week! Play your part by attending at least one of the many and varied events advertised in assemblies and in the Bulletin. Great to see so many Year 7 and 8 students are going to be taking part in the Stay Awake this coming Friday.

2. **Honesty**: Make sure you complete the Eco-Schools survey that will be emailed to you this week.

3. **Respect**: ‘The greatest threat to our planet is the belief that someone else will save it’ Robert Swan, Author. Try to live each day in a way that is less damaging to the environment.

Dates for Your Diary

This week:

- Charities week – w/c 16 March
- Music residential to Haworth (Monday 16 to Wednesday 18 March)
- GCSE English Literature mock exam – Monday 16 March
- GCSE Maths mock exam – Tuesday 17 March
- StayAwake (Year 7 and 8) – Friday 20 March

All upcoming events, term dates and holidays:

- [Link to school web calendar](#)
Information

Advice on the coronavirus for places of education

How serious is the coronavirus?
- It can cause flu-like symptoms, including fever, cough & difficulty breathing
- The infection is not serious for most people, including children
- There is currently no vaccine
- Most people get better with enough rest, water to drink and medicine for pain

How likely are you to catch the virus?
- You can only catch it if you have been close to a person who has the virus
- The chance of being in contact with the virus is currently low in the UK
- If you have travelled to areas where many people are infected, your chance of catching the virus is higher, i.e., China and any affected areas

How can you stop coronaviruses spreading?

If you need to cough or sneeze
- Catch it with a tissue
- Bin it

Kill it by washing your hands with soap & water or hand sanitiser

You should wash hands with soap & water or hand sanitiser

After breaks & sports activities
Before cooking & eating
On arrival at any childcare or educational setting
After using the toilet
Before leaving home

Try not to touch your eyes, nose, and mouth with unwashed hands
Do not share items that come into contact with your mouth, such as cups & bottles
If unwell do not share items such as bedding, clothes, pencils & towels

Stop germs spreading with our e-Bug resources on hand and respiratory hygiene lesson plans for KS1, 2 and 3. campaignresources.phe.gov.uk/schools

What should you do if you feel unwell?
Keep away from others and stay at home to stop the infection spreading. Avoid public transport if you think you have symptoms of coronavirus. If you become unwell at a place of education, tell a member of staff and let them know if you have travelled to any other countries in the last 14 days.
If your staff member or parent thinks you have symptoms of coronavirus, they should call NHS 111 for advice. Follow the UK Government advice for childcare or educational settings gov.uk/government/publications/guidance-to-educational-settings-about-covid-19. Parents can visit NHS.UK to find out more information. Teachers and support staff should follow the UK Government advice.
Staff, students and pupils who have returned from Iran, specific lockdown areas in northern Italy, special care zones in South Korea or Hubei province China (returned in the past 14 days) should self-isolate, and NOT attend education or work for 14 days. See NHS.UK for advice on coronavirus.

If there is an emergency, call 999 immediately
Annual Rewards Trip

We are delighted to provide further information about the annual Rewards Trip, which this year will take place on:
Wednesday 1 July for Years 9 and 10
Thursday 2 July for Years 7 and 8

Students will have the opportunity to choose from one of the options below:

The rewards trip is available to all students who have worked hard throughout the year and who have consistently demonstrated our school values and standards.

For further details about this trip, including eligibility and how to book a place please click here. Please book a place by Friday 24 April.

The following information has been shared with students within the student bulletins.

How to Get Your Revision Plan Right

- **Identify the topics** you know you need to work on the most. This could come from a mock exam, a CAT, the contents page of a revision guide or exam specification. There’s no point in working on topics your knowledge is strong on already.

- Produce a **revision plan**, showing when you have allocated time to different subjects. Share this with family, then you are more likely to stick to it – stick it on the fridge where it can be seen!

- When you sit down to work, your brain needs to focus on nothing other than learning. **Remove distractions** from your workspace that draws your attention away from work—mobile phone off/in another room, notifications on iPad off and no background music. Just like it will be in the examination.

- Research shows that 1 hour on any one task is enough. Any more than this produces much less gain. The best approach to securing knowledge is to **self-test** (flashcards, quizzing software). Once you are confident with the knowledge, the next step is to answer past paper questions.

- Have a break between tasks, switching off for a while will help you be more productive when you go back to study. **Stay hydrated and eat well.**

- **Exercise** is an excellent way of relaxing and taking your mind off work, particularly after a busy day. We are able to think more when we are more relaxed.

- **Sleep** is an essential part of learning. It consolidates learning that day and makes it more permanent. Ensure you finish studying in plenty of time to relax before heading to bed.
A **good revision plan** should be:

**Realistic:** Plan in study time you know you can stick to. Nobody can do 12 hours a day!

**Varied:** Break revision into chunks and study different topics. Your plan can be more detailed as each day approaches. No need to make it very detailed from the start.

**Flexible:** You may well find that you need to revisit some topics more than others. It’s important you are flexible and adapt according to how you are progressing.

**KEEPING OUR CHILDREN SAFE**

Due to the congestion and continued risk to our students in the main car park please can we remind you of the Park and Stride safe drop-off zones. We would encourage you to use them as an alternative to using the main car park and driving up Arthur’s Avenue at these very busy times.

We ask that you do not stop on the zig zags and double yellow lines outside school and surrounding roads. Your co-operation is very much appreciated.

**Year 11 Revision sessions**

Eco-Schools Survey

This week, as part of our action plans to reduce waste and encourage healthier lifestyles, we would like all staff and students to complete a survey. The aim is to help gauge where we are now and where we could make some real gains. We have worked with the catering staff to put together a series of questions. The results will help us to get a really clear picture of our consumption of single use plastics and also of people’s food preferences. By finding out what people think we can work on changes that would be well supported by most people. The link to the survey will be shared this week. Will then analyse the results and sharing our findings.
Teenage Stress-How Parents Can Help

Date: 21st March 2020
Time: 2.30pm to 4pm
Where: Pine Marten, Otley Road, Harrogate
Cost: For Free tickets text 0790 197 0159

Find out how you can develop the knowledge and skills to support your teenager handle stress, increase energy and stay healthy, especially during exam season.

Andrea Edmondson M.Ed. is an educator and coach specialising in stress, wellbeing and resilience. She trains people of all ages to understand stress and manage energy, sharing practical strategies based on brain and stress science and the process of self-regulation. She has 25 years of teaching and coaching experience in the UK and USA. She is the parent of four children, three of them teenagers.

Music Department Presents:
The Spring Concert
Thursday 26th March 2020
7pm
Main Hall

Harrogate Grammar School
Languages – Word a Day

Help your child learn a word a day! Quizlet words for week 25 and 26, please use these to practise the “word a day” for each language studied. A copy of the links will be included within the student bulletin every Monday morning.

Enrichment Activities

Please click on the following link to access the extra-curricular timetable for the Spring term. Extra-curricular activities

Further details regarding the PE extra-curricular programme can be found here: PE Extra-Curricular Parent Guide

The Learning Resource Centre will now be open after school until 6pm Monday to Friday.

Letter Communications

Annual Rewards Trip Year 7 to Year 10, please click here to access the letter.

Year 11 GCSE Countdown Calendar, please click here to access.
Maths – Puzzler

Last week’s solution:

\[
\begin{align*}
S + E + V + E + N &= 7 \\
N + I + N + E &= 9 \\
T + E + N &= 10 \\
E + L + E + V + E + N &= 11
\end{align*}
\]
\[
\begin{align*}
3 + 1 + 0 + 1 + 2 &= 7 \\
2 + 4 + 2 + 1 &= 9 \\
7 + 1 + 2 &= 10 \\
1 + 6 + 1 + 0 + 1 + 2 &= 11
\end{align*}
\]

Replace each letter with one of the numbers 0, 1, 2, 3, 4, 6 and 7 to make the above calculations work. Whichever number you assign to a letter in one word has to be assigned to the same letter in all four words where it occurs.

This week’s puzzle:

1, 2, 3, 4 is the first set of four consecutive numbers. Their product is 24.

2, 3, 4, 5 is the next set of four consecutive numbers. Their product is 120.

Which set of four consecutive numbers has a product that is double the product of the previous set?

Current Vacancies

Vacancies

Current vacancies within Red Kite Learning Trust can be found at: [www.rkit.co.uk/vacancies/](http://www.rkit.co.uk/vacancies/)

- **Sixth Form Study Centre Supervisor** at Harrogate Grammar School, closing date Monday 16 March
- **Catering Assistant** at Harrogate Grammar School, closing date Friday 20 March
- **Catering Assistant** at Crawshaw Academy, closing date Monday 23 March
- **Receptionist** at Crawshaw Academy, closing date Friday 27 March
- **Cleaners** at Templenewsam Halton Primary School, closing date Monday 16 March

- **Site Supervisor** at Temple Moor High School, Leeds, closing date Monday 16 March
- **Special Needs Assistant** at Meadowfield Primary School, Leeds, closing date Tuesday 17 March
Exam Invigilator Vacancies

We are currently recruiting Exam Invigilators to join our team at Harrogate Grammar School. This role is worked on a casual basis throughout the school year and we are looking for Exam Invigilators ready for the summer exam period starting in May 2020. Ideally, we are looking for flexibility of availability and for applicants who are able to offer their time over 4 days per week during the exam period, however this can be discussed further.

If you are interested in becoming an Exam Invigilator, please contact the HR team for further details using the following email address; humanresources@harrogategrammar.co.uk or by telephone on 01423 531127 ext 324

PTA Quiz – Friday 27 March, 7:30pm

Please join us for the HGS PTA Quiz which will take place on Friday 27 March at 7.30pm in the Main Hall.

Please complete the attached booking form to enter your team. Teams of 8 people, £10 per person which includes supper and entry to one of the most hotly contested quizzes in Harrogate.

Life @HGS

Huge congratulations to the 1st XV rugby team who played in the Final of the Yorkshire County Cup on Saturday. The team lost to a very strong Ripon Grammar side, we could not have asked for more from the team, they gave their all. Thank you to everyone who came along to the match to support the team.

Click here to see more photos on Twitter and view the end of match speech by Mr Mackay.
The DT team had a successful trip to Germany over the weekend, more photos can be found on twitter.

Science week!

BTEC gig: visit our Twitter account to watch some videos from the BTEC gig that took place on Thursday evening.
Malorie Blackman OBE is a British writer who held the position of Children’s Laureate from 2013 to 2015. She primarily writes literature and television drama for children and young adults. She has used science fiction to explore social and ethical issues. Her critically and popularly acclaimed Noughts and Crosses series uses the setting of a fictional dystopia to explore racism.

Former Children’s Laureate Malorie Blackman makes a brilliant return to her best-selling Noughts and Crosses series with an all-guns-blazing story of prejudice, love, ambition, politics and violence. In the series launch title, Sephy, a Cross, and Callum, a Nought, challenged the divisions in their society. They paid a heavy price for doing so but they did make changes; racial and class barriers were brought down and the future would be brighter. Or so they thought. But a generation on, while superficially things look better, the prejudices are never far away and where they are, violence follows. When the first Nought Prime Minister is framed for murder he turns to his old friend Callie Rose, daughter of Sephy and Callum to defend him. But crossing the racial divide is still unpopular and both have ruthless enemies. As corruption spills into violence the next generation, Troy and Liberty, are terrifyingly caught up in the conflict.

From ancient world laws laid down by King Hammurabi and the mighty Persian empire, to terrifying huns, the rise of Europe, two world wars and politics today, The Silk Roads moves through time and history sewing together the threads from different peoples, empires and continents into a phenomenal history of the globe. With stories from each and every corner of society, Frankopan’s magnificent brand new illustrated edition of his award-winning literary triumph The Silk Roads, sumptuously illustrated by Neil Packer, is a must-have world history.

LoveReading4kids.co.uk

Life in Bearmouth is one of hard labour, the sunlit world above the mine a distant memory. Reward will come in the next life with the benevolence of the Mayker. New accepts everything - that is, until the mysterious Devlin arrives. Suddenly, Newt starts to look at Bearmouth with a fresh perspective, questioning the system, and setting in motion a chain of events that could destroy their entire world. In this powerful and brilliantly original debut novel, friendship creates strength, courage is hard-won and hope is the path to freedom.

LoveReading4kids.co.uk

Felix Knutsson is nearly thirteen, lives with his mother and pet gerbil Horatio, and is brilliant at memorising facts and trivia. So far, pretty normal. But Felix and his mom Astrid have a secret: they are living in a van. Astrid promises it’s only for a while until she finds a new job, and begs Felix not to breathe a word about it. So, when Felix starts at a new school he does his very best to hide the fact that most of his clothes are in storage, he only showers weekly at the community centre, and that he doesn’t have enough to eat. When his friends Dylan and Winnie ask to visit, Felix always has an excuse. But Felix has a plan to turn his and Astrid’s lives around: he’s going to go on his favourite game show Who, What, Where, When and win the cash prize. All he needs is a little luck and a lot of brain power . . .

Susin Nielsen deftly combines humour, heartbreak, and hope in this moving story about people who slip through the cracks in society, and about the power of friendship and community to make all the difference.

University of Hull

Education and Early Childhood Studies Subject Taster
Wednesday 4 March
Suitable for Year 12 students

The sessions are designed for students who have not studied Education of Early Childhood Studies previously, as well as those who study Childcare/Health and Social Care. The session will provide a taster that would be reflective of a first-year undergraduate student and the opportunity to ask academic tutors questions on module choices to admissions.
