## Training, support and guidance

This section of our Centre Policy outlines the training, support and guidance that our centre will provide to those determining teacher assessed grades this year.

### Training

This section provides details of the approach our centre will take to *training, support and guidance in determining teacher assessed grades this year*

- *Teachers involved in determining grades in our centre will attend relevant centre-based training to help achieve consistency and fairness to all students.*
- *Teachers will engage fully with all training and support that has been provided by the Joint Council for Qualifications and the awarding organisations.*
- *Faculty and subject leaders will work collaboratively with Red Kite Alliance and Red Kite Learning Trust colleagues, within their Curriculum Learning Communities, to enable external moderation to take place, as part of our quality assurance processes.*

This will include all staff having read and confirmed their understanding of:

- This policy
- The Ofqual Head of Centre Guidance on recommended evidence
- Guidance provided by the relevant awarding organisations
- The JCQ Guide to the special consideration process
- The 'Information for Centres on making Objective Judgements' from Ofqual
- General centre policies regarding malpractice, maladministration, and conflicts of interest

Staff will be made aware of specific types of malpractice, which may affect the Summer 2021 series, which include:

- *breaches of internal security;*
- *deception;*
- *improper assistance to students;*
- *failure to appropriately authenticate a student's work;*
- *over direction of students in preparation for common assessments;*
- *allegations that centres submit grades not supported by evidence that they know to be inaccurate;*

### Support for Newly Qualified Teachers and teachers less familiar with assessment

This section provides details of our approach to *training, support and guidance for newly qualified teachers and teachers less familiar with assessment*

- *We will provide mentoring from experienced teachers to NQTs and teachers less familiar with assessment. We have 3 NQTs with examination classes, who will be directly supported by the Faculty Leader (CXD/MDW/JKO) where a GCSE class and by the Co-Teacher for A Level/Level 3 classes.*
- *We will put in place additional internal reviews of teacher assessed grades for NQTs and other teachers as appropriate.*

## Use of appropriate evidence

This section of our Centre Policy indicates how our centre will give due regard to the section in the JCQ guidance entitled: *Guidance on grading for teachers*.

### A. Use of evidence

This section gives details in relation to our use of evidence.

- *Teachers making judgements will have regard to the Ofqual Head of Centre guidance on recommended evidence, and further guidance provided by awarding organisations. (See links in the Appendix)*
- **All candidate evidence** *(By evidence we mean to supply: All CAT/Mock grades used to arrive at the Teacher Assessed Grade, NEA evidence, scripts where possible for mock examinations and the scripts of the final two CATs) used to determine teacher assessed grades, and associated documentation, **will be retained** and made available for the purposes of external quality assurance and appeals.*
- *We will be using student work produced in response to assessment materials provided by our awarding organisation(s), including groups of questions, past papers or similar materials such as practice or sample papers.*
- *We will use non-exam assessment work (often referred to as coursework or NEAs), even if this has not been fully completed.*
- *We will use student work produced in centre-devised tasks that reflect the specification, that follow the same format as awarding organisation materials, and have been marked in a way that reflects awarding organisation mark schemes.*
- *We will use Common Assessment Tasks (CATs) taken by students: Common Assessment Tasks routinely take place throughout the two years of GCSE and the two years of A-Level. These provide a balance of evidence over time, using standard assessment materials across the cohort. On average 4-5 Common Assessment Tasks have taken place per student per subject area*
- *We will use mock exams taken over the course of study.*
- *We will use records of a student's capability and performance over the course of study in performance-based subjects such as music, drama and PE.*

*We provide further detail in the following areas:*

#### *Additional Assessment Materials*

- *We will use additional assessment materials, in the form of two Common Assessment tasks completed in Summer Term 1, to give students the opportunity to show what they know, understand or can do in an area of content that has been taught but not yet assessed.*
- *We will use these recent additional assessment materials to give students an opportunity to show improvement, for example, to validate or replace an existing piece of evidence.*
- *We will use additional assessment materials to support consistency of judgement between teachers or classes by giving everyone the same task to complete. (Common Assessment Tasks – CATs)*
- *We will combine and/or remove elements of questions where, for example, a multi-part question includes a part which focuses on an element of the specification that hasn't been taught.*

*Our centre will ensure the appropriateness of evidence and balance of evidence in arriving at grades in the following ways:*

- *We will consider the **level of control** under which an assessment was completed, for example, whether the evidence was produced **under high control and under supervision or at home**.*
- *Common Assessment Tasks completed in school, represent evidence produced under a high level of control, carried out with supervision. The mock evidence represents a lower level of control, as they were completed at home, due to the closure of year groups and National Lockdown.*
- *We will ensure that we are able to **authenticate the work as the student's own**, especially where that work was not completed within the school.*
- *We will consider the specification and assessment objective coverage of the assessment.*
- *We will consider the depth and breadth of knowledge, understanding and skills assessed, especially higher order skills within individual assessments.*

## Determining teacher assessed grades

*This section of our Centre Policy outlines the approach our centre will take to awarding teacher assessed grades.*

### **Awarding teacher assessed grades based on evidence**

We give details here of our centre's approach to awarding teacher assessed grades.

- *Faculty Leaders, subject leaders or where an individual class, teachers will determine grades **based on evidence** which is commensurate with the standard at which a student is performing, i.e. their demonstrated knowledge, understanding and skills across the content of the course they have been taught.*
- *Faculty Leaders, subject leaders or where an individual class, teachers will record how the evidence was used to arrive at a **fair and objective grade**, which is free from bias.*
- *Faculty Leaders, subject leaders or where an individual class, teachers will produce an Assessment Record for each subject cohort and will share this with their Faculty/Subject Leaders. Any necessary variations for individual students will also be shared.*

## Internal quality assurance

This section of our Centre Policy outlines the approach our centre will take to ensure internal standardisation of teacher assessed grades, to ensure consistency, fairness and objectivity of decisions.

### *Head of Centre Internal Quality Assurance and Declaration*

#### **Internal quality assurance**

This section gives details of our approach to internal standardisation, within and across subject departments.

- *We will ensure that all teachers involved in deriving teacher assessed grades read and understand this Centre Policy document.*
- *All subjects have more than one teacher and we will ensure that our centre carries out an internal standardisation process.*
- *We will ensure that all teachers are provided with training and support to ensure they take a consistent approach to:*
  - *Marking of evidence*
  - *Applying the use of grading support and documentation*
  - *Reaching a holistic grading decision*
  - *Arriving at teacher assessed grades*
- *We will conduct internal standardisation across all grades.*
- *We will ensure that the Assessment Record will form the basis of internal standardisation and discussions across teachers to agree the awarding of teacher assessed grades.*
- *Where necessary, we will review and reflect on individual grading decisions to ensure alignment with the standards as outlined by our awarding organisation(s).*
- *Where appropriate, we will amend individual grade decisions to ensure alignment with the standards as outlined by our awarding organisation(s).*
- *In respect of equality legislation, we will consider the range of evidence for students of different protected characteristics that are included in our internal standardisation.*

## Comparison of teacher assessed grades to results for previous cohorts

This section of our Centre Policy outlines the approach we will take to compare our teacher assessed grades in 2021 with results from previous cohorts.

### **Comparison of Teacher Assessed Grades to results for previous cohorts**

This section gives details of our internal process to ensure a comparison of teacher assessed grades at qualification level to results for previous cohorts in our centre taking the same qualification.

- *We will compile information on the grades awarded to our students in past June series in which exams took place (e.g. 2017 - 2019).*
- *We will consider the size of our cohort from year to year.*
- *We will consider the stability of our centre's overall grade outcomes from year to year.*
- *We will consider both subject and centre level variation in our outcomes during the internal quality assurance process.*
- *We will prepare a succinct narrative on the outcomes of the review against historic data which, in the event of significant divergence from the qualifications-levels profiles attained in previous examined years, which address the reasons for this divergence. This commentary will be available for subsequent review during the QA process.*

*This section gives details of the approach our centre will follow if our initial teacher assessed grades for a qualification are viewed as overly lenient or harsh compared to results in previous years.*

- *We will compile historical data giving appropriate regard to potential mixtures of A\*-G and 9-1 grades in GCSEs. Where required, we will use the Ofqual guidance to convert legacy grades into the new 9 to 1 scale.*
- *We will bring together other data sources that will help to quality assure the grades we intend to award in 2021. (e.g. FFT analysis of historical data, 3 Year Sisra analysis data)*

## Access Arrangements and Special Considerations

This section of our Centre Policy outlines the approach our centre will take to provide students with appropriate access arrangements and take into account mitigating circumstances in particular instances.

### **Reasonable adjustments and mitigating circumstances (special consideration)**

This section gives details of our approach to access arrangements and mitigating circumstances (special consideration).

- *Where students have agreed access arrangements or reasonable adjustments (for example a reader or scribe) we will make every effort to ensure that these arrangements are in place when CAT assessments are being taken. As of 12/04/21, to the best of our*

*knowledge, all necessary access arrangements were in place for students taking CATs. These CATs were undertaken with a high level of control.*

- *Where illness or other personal circumstances might have affected performance in assessments used in determining a student's standard of performance, we will take account of this when making judgements.*
- *We will record, as part of the Assessment Record, how we have incorporated any necessary variations to take account of the impact of illness or personal circumstances on the performance of individual students in assessments.*
- *To ensure consistency in the application of Special Consideration, we will ensure all teachers have read and understood the document: [JCQ – A guide to the special consideration process, with effect from 1 September 2020](#)*

## Addressing disruption/differential lost learning (DLL)

### **B. Addressing Disruption/Differentiated Lost Learning (DLL)**

This section gives details of our approach to address disruption or differentiated lost teaching.

- Teacher assessed grades will be determined **based on evidence** of the content that has been taught and assessed for each student.
- Common Assessment Tasks were devised to only cover content taught.

## Objectivity

This section of our Centre Policy outlines the arrangements in place to ensure objectivity of decisions.

### **Objectivity**

This section gives a summary of the arrangements in place within our centre in relation to objectivity.

*Staff will fulfil their duties and responsibilities in relation to relevant equality and disability legislation.*

*Senior Leaders, Faculty/Subject Leaders and Head of Centre will consider:*

- *sources of unfairness and bias (situations/contexts, difficulty, presentation and format, language, conditions for assessment, marker preconceptions);*
- *how to minimise bias in questions and marking and hidden forms of bias;*
- *bias in teacher assessed grades.*

*To ensure objectivity, all staff involved in determining teacher assessed grades will be made aware that:*

- *unconscious bias can skew judgements; All staff will read the Ofqual guidance on [Information for centres about making objective judgements](#)*
- *the evidence presented should be valued for its own merit as an indication of performance and attainment;*
- *teacher assessed grades should not be influenced by candidates' positive or challenging personal circumstances, character, behaviour, appearance, socio-economic background, or protected characteristics;*
- *unconscious bias is more likely to occur when quick opinions are formed;*

*As an additional measure to ensure objectivity, the final Common Assessment Task will be 'blind marked' – Numbers will be used to identify students, so the student is anonymous.*

*Teachers involved in marking assessments and determining teacher assessed grades, will sign a declaration to say they have followed the guidance on making objective judgements.*

*Our internal standardisation process will help to ensure that there are different perspectives to the quality assurance process.*

*Conflicts of Interest have been addressed on Page 16 under 'Conflicts of Interest'.*

*Our Policy has been reviewed by the CEO of the Red Kite Learning Trust.*

## Recording decisions and retention of evidence and data

This section of our Centre Policy outlines our arrangements to recording decisions and to retaining evidence and data.

### **C. Recording Decisions and Retention of Evidence and Data**

This section outlines our approach to recording decisions and retaining evidence and data.

- *We will ensure that teachers and Faculty/Subject Leaders maintain records that show how the teacher assessed grades process operated, including the rationale for decisions in relation to individual marks/grades.*
- *We will ensure that evidence is maintained across a variety of tasks to develop a holistic view of each student's demonstrated knowledge, understanding and skills in the areas of content taught, using 4-5 CAT evidence points.*
- *We will put in place recording requirements for the various stages of the process to ensure the accurate and secure retention of the evidence used to make decisions.*
- *We will comply with our obligations regarding data protection legislation.*
- *We will ensure that the grades accurately reflect the evidence submitted.*
- *We will ensure that evidence is retained electronically or on paper in a secure centre-based system that can be readily shared with our awarding organisation(s).*
- *In the event of a Cyber-Attack we would have due regard to the guidance set out by JCQ: [JCQ dfe-and-national-cyber-security-centre-ransomware-update](#)*
- *Cyber security training and insurance has been put in place by the Red Kite Learning Trust.*

## Authenticating evidence

### **D. Authenticating evidence**

This section of our Centre Policy details the mechanisms in place to ensure that teachers are confident in the authenticity of evidence, and the process for dealing with cases where evidence is not thought to be authentic.

- *Robust mechanisms will be in place to ensure that teachers are confident that work used as evidence is the students' own and that no inappropriate levels of support have been given to students to complete it, either within the centre or with external tutors. These will include:*
  - *Carefully and robustly planned and designed CAT materials, where appropriate using additional assessment materials provided by awarding bodies.*
  - *High control setting for the two final CATs.*
  - *Fully understanding the performance of students over time in relation to prior performance.*
  - *Students will be required to sign a declaration, in which they will declare that all of the work being considered in evidence is their own.*
  - *Centre and student declarations for NEA work will be completed as normal.*
- *It is understood that awarding organisations will investigate instances where it appears evidence is not authentic. We will follow all guidance provided by awarding organisations to support these determinations of authenticity. (See links in Appendix)*
