Results Day Arrangements

Dear Students and Parents/Carers,

We are delighted to have been able to host an Induction Day to introduce students to the Sixth Form at Harrogate Grammar School. The Sixth Form Team and subject teachers were really impressed with your level of engagement and the quality of work produced during these sessions. The [bridging materials](#) can be accessed via the Sixth Form section of the school website throughout the summer. Tasks have been set by each subject area, and students are expected to complete this work in preparation for the start of the new academic year.

The information provided below outlines the important steps that need to take place in order to ensure your progression on results day. We have an experienced team of staff who will be available throughout the results period to support you and complete the relevant administration.

Action on Thursday 25 August

Your exam results will be available for collection from **09.00 in the Forum**. Please enter school through the Sixth Form reception.

If you have met the conditions of your offer, please confirm your place and your subject choices with a member of our Sixth Form Team situated in the corridor outside the Forum.

If you have not met the conditions of your offer, you will be requested to arrange an appointment with a member of the Sixth Form Team. Our independent career's advisor will also be available to support students with progression. **These meetings will take place on Friday 26 August.**

We hope you have an enjoyable break over the summer. Please do not hesitate to contact the Sixth Form if you have any questions or require any further information:
