## Mobile Phones

Mobile phones are allowed on the residential and students are trusted to manage them responsibly. We encourage phone use to be limited, as this is an opportunity to have a break from technology and to connect and make new friends.

- Phones must not be used to play music or other audible content.
- Phones must not be taken on activities. They must be turned off and left safely in their dorm.
- Phones must not be used during mealtimes.

Students are responsible for looking after their phones whilst on the residential and understand that they bring them at their own risk.
