

Summer Activities

English Reading

As part of your English lesson, your teacher handed out a copy of 'Boy 87' by Ele Fountain.

Please read this over the summer break. We will be using this novel in your English lessons.

Maths Challenge

Mathematics has always been a powerful tool for studying, measuring and calculating movements of the planets. Click to enter the [Maths Mission to Mars challenge](#).

House Competition

Can you remember which house your form are in?

Watch [this video](#) to meet the House Leaders and learn more about HGS House competitions, plus a fun activity to complete this summer.

Languages Quiz

Can you complete the French quizzes below?

[Greetings](#)

[Colour](#)

[Days/months](#)

[Family/pets](#)

[Numbers](#)

The modern foreign languages team look forward to welcoming you in September. All students study French in Year 7 plus either German or Spanish, due to timetabling this is an allocation.
