Spotlight: Martin Luther King Day

Since 1986, the third Monday of January has been recognised by the US government as Martin Luther King Day.

This year, this falls on Saturday 19 January. Read some interesting facts below about how he inspired so many people.

What will you do on Martin Luther King Day to be of service to your community inside and outside of school?

1

Martin Luther King Day is the only US public holiday that commemorates an African-American. However, instead of being a day when schools and businesses are shut (like bank holidays in the UK), Americans see it as a national day of service “a day on, not a day off”.

2

During the 1950s and 1960s, Dr Martin Luther King Jr inspired thousands of Americans to campaign peacefully against racial injustice in the USA. He organised and led sit-ins, marches and other peaceful demonstrations that highlighted racial and economic inequalities. Partly as a result of his actions, the US government passed the Civil Rights Act in 1964, which said that all Americans, black and white, were equal under the law and had exactly the same rights. On 4 April 1968, at the age of only 39, he was shot dead by a white supremacist in Memphis, Tennessee. He had travelled to the city to lead a march in support of striking sanitation workers.

3

Dr King saw education as critical to people being able to improve their lives. In an essay as a university student in 1947, he wrote that ‘Education must enable one to sift and weigh evidence, to discern the true from the false, the real from the unreal, and the facts from the fiction. The function of education, therefore, is to teach one to think intensively and to think critically. We must remember that intelligence is not enough. Intelligence plus character – that is the goal of the true education.’

Year 11 Taster Day in Sixth Form - Monday 12 January

We are looking forward to welcoming you to HGS Sixth Form or the Careers Day on Monday 12 January. This is a great opportunity for you to experience an insight into life in the Sixth Form or obtain important information during the Careers Day to support you in your post 16 options.

Students have selected six subjects they wish to 'taste' on this day. The subject selection is for the Taster Day only and this does not mean that you have to select these subjects on your application form. If you have not already received your timetable for Monday, please see one of the Sixth Form team first thing on Monday morning who will be located outside the Forum.

At normal registration time, please register with your Form Tutor in the room stated opposite at 8.50am.

Dress code: students are expected to dress smartly and appropriately for learning, no jeans, trainers or hoodies.

What to bring: pencil case, notebook and fully charged iPad

Showbie code: please join this showbie code **7TF2B** before Monday

Students will be able to purchase refreshments in G2 at break and lunch via your cashless catering account.

Yr 12 Home Study Day - Monday 12 January

All Year 12 students have a Home Study Day on Monday 12 January 2026. There will be no lessons for Year 12 on this day and students are not expected in school.

This is a fabulous opportunity to consider potential work experience opportunities, and to build a short-list of employers to contact. The work experience process has been launched this week during Progression and you can use the email template on the lesson [here](#) to contact employers.

You can also use this opportunity to complete a MOOC (Massive Open online Course) on a topic of your choice. Completing one of these courses really helps to make you stand out when it comes to applying for university or apprenticeships. It shows that you have actively sought to develop your understanding of a subject beyond the school curriculum. Courses are available through FutureLearn (free of charge), browse the wide range of courses [here](#).

Yr 12 Career Pathway Talks

Our second career pathway talks will take place on Tuesday 20 January. Please register with your form tutor at 8.50am in your form room before heading to your first talk at 9am. You will be able to see your speaker schedule from Monday 19 January on the grey boards near reception and in G2. If you have any questions please speak to Miss Russell or Mrs Harriss.

Yr 13 Apprenticeship and Employment Conference

On Wednesday 4 February, we are hosting an event in school with a range of employers who offer apprenticeships and degree apprenticeships and employment for school leavers. The conference will include a careers style fair during lunchtime where you can network with employers. We are also going to offer a mock assessment centre and an interview to support you with the application process from 2.45pm onwards.

Students who expressed an interest in this event before the Christmas break have been contacted. If you would like to take part then you need to complete the form [here](#) by Friday 16 January. If you have any questions about this event, please contact Miss Russell on RussellH@hgs.rklt.co.uk.

St Catharine's Outreach News: Humanities Residential

Exciting Opportunity for Year 12s Interested in Studying Arts, Humanities, or Social Sciences.

If you'd like to find out more about studying here, then our SCHOLAR (St Catharine's Humanities Outreach-Led Access Residential) stay might be for you!

The event is aimed at students in Year 12 who are considering studying a course within the arts or humanities at university. The residential will provide successful applicants with the opportunity to explore a number of subjects in more depth, get a taste of life at Cambridge, meet current students and staff, and find out more about the application process and Cambridge as a city. We hope that students will get a taste of university life, and what studying an arts or humanities subject at Cambridge involves.
