Code of Conduct for residential visits

Overall expectation and consequences

Students on trips represent Harrogate Grammar School. We therefore expect all students to conduct themselves **respectfully, in line with our school values**. A review of behaviour will take place two months prior to departure, and should your behaviour fall short of these standards, then you may be withdrawn from the visit. Any serious breach of our expectations after this point could also result in you being withdrawn from the trip. Any misconduct on the visit will be dealt with appropriately and may lead to possible further sanctions upon return to school. In exceptional circumstances, we may ask your parents to collect you and may not allow you to participate in further trips (this includes any school organised event).
