

6 February 2026

Year 11 Revision Sessions 2026

Dear Parent/Carer/Student

In addition to timetabled lessons, structured revision materials, masterclasses and weekly revision drop-in sessions being held in school, a programme of revision sessions will run over the Easter holiday and Saturday mornings.

Easter Revision Sessions

These sessions are designed to promote structured revision for students during the holiday, and to provide opportunities for students to ask questions and build confidence.

The sessions will run in school between Monday 30 March and Wednesday 1 April. In addition, some sessions will take place via Microsoft Teams during the 2-week break.

Whilst we would like to deliver these sessions at no cost to families, we do incur teaching costs for each session. We therefore ask for the following contribution:

2-hour session in school	£10
1 hour session via Teams	£5

The Easter revision timetable can be found overleaf. Unfortunately, due to the availability of teachers in the holiday period, we are not able to offer sessions in all subject areas.

To sign up and make payment for these sessions, please select the relevant sessions from the Trips section on the Arbor Parent app. These sessions will be available to book from 9am Monday 9 February and will close at midday on Thursday 26 March.

Saturday Morning Independent Silent Study

Following the success of Saturday morning study sessions over the last two years, we will be offering a quiet place for students to undertake independent silent study on a Saturday morning on the following dates:

- Saturdays 7, 14, 21 March from 10am to 1pm
- Saturdays 18 and 25 April from 10am to 1pm
- Saturdays 2 and 9 May from 10am to 1pm

These revision sessions will be open to students in Years 11 and will take place in G2. Complimentary hot drinks will be available for students. Students do not need to wear uniform. We ask that they bring their own revision material and do not use their mobile phone or wear earphones. These sessions are designed to allow them to focus on their own independent revision, free from distractions. These sessions are offered free of charge.
