

Congratulations!

If your UCAS Hub says “..... (uni name) has confirmed your place to study... (course name)”. Your firm choice is secure. If your firm choice is unsuccessful and your insurance is unconditional, it will say “you’ve been placed at your insurance choice”. Check the steps on UCAS and make sure you check your emails (including junk mailbox) for info from the unis.

Want to Change Uni?

Discouraged at this stage, but if you are sure you want to apply to other unis, self-release into Clearing by using the “Decline my place” button (NB this cannot be undone, so you should **be sure that another uni will offer you a place first**). You can do this from July 5th. NB – if accepted on your firm choice, your insurance choice is automatically declined, so you have to contact them to see if they have space, if you now wish to go there.

Place Confirmed

Unis may award the place anyway. Check your UCAS Hub to see if your Firm or Insurance choice has confirmed your place.

Offer for a different course

Your Firm/Insurance uni may make you an alternative offer (e.g. for a different course), which you can accept or turn down. You will have 5 days to decide.

Awaiting Decision

Your Firm/Insurance choice may still be deciding - your application will show “waiting for confirmation” or “... is still deciding on your place”. Check emails carefully to find out if there is anything they need from you. Contact the uni if unsure. You can “Decline my place” to enter Clearing.

Review of Marking

The grounds for submitting a marking review are limited. Information on this will be provided by the exams team in school on results day.

Appeal to University

You may be considered for an *alternative* course (e.g. foundation) at your preferred uni. Contact them if you’d like to see if this is possible.

Retake Exams Independently

You can re-take exams in the next academic year and re-apply through the next UCAS cycle.

Clearing

If you still want to go to university you can use the Clearing process to find an alternative place. The Sixth Form Team will be on hand to support you with this on results day.

Unconditional Offer Holder

You are holding an unconditional place as your firm (or insurance) choice.

Missed Grades Place Confirmed or Awaiting Decision

You have not gained the entry requirements, but you have not been released into Clearing

Missed Grades Place Unsuccessful

Your grades were not high enough for your place to be confirmed. Your choices are marked as “unsuccessful”.

No Longer Want to Go to University

You have decided that you do not wish to go to university in this cycle.

Withdraw

Use the “Decline your place” option to withdraw from your place. NB this cannot be undone so think carefully before acting.

Conditional Offer Holder Grades Met

You are holding a conditional firm or insurance place, and your place has been marked as confirmed – i.e. it becomes “unconditional”.

Exceeded Predicted Grades

Your summer grades are higher than those originally predicted on your UCAS application

Change Course?

If you want to go to the same uni but a different course, contact the uni to discuss this. There is no guarantee it will be possible, but you can ask.

Congratulations

If either your firm choice (or your insurance - if you missed your firm offer) is now confirmed, your place is secure. Your status will say “..... [uni name] has confirmed your place to study... [course name]”. OR, if your firm choice is unsuccessful and your insurance has accepted you, it will say “you’ve been placed at your insurance choice...[uni name] to study [course name]”. Make sure you check your emails, including junk mail, for info from the unis.

Clearing

You *can* contact universities with higher entry requirements than your original predictions, to see if they have space (search for clearing vacancies on UCAS). If they do and they say they would offer you a place, you will then apply through Clearing. Do NOT enter Clearing until you are sure you want to do this/have an offer from another university in writing. Entering Clearing will lose your current offers.

If you decline your place, you can also use Clearing Plus, which will automatically show you potential options – click on “View Clearing matches” to see these.

HGS RESULTS DAY 2026
