

September 2026

Dear Parent/Carer

GCSE Revision Resources

We are pleased to provide details of recommended revisions guides for students in Years 10 and 11 studying for their GCSEs. We have streamlined this list from previous years. Please note that where no guides are listed for a subject, extensive revision materials can be accessed by students within Showbie folders.

Please do not feel that you need to purchase all or indeed any of these guides if you do not wish to.

The following are available to order at a discounted price via Arbor School Shop, which can be accessed via the Arbor Parent app. We ask that you place your order by **Friday 2 October**, so that we can place one school order to take advantage of discounted prices.

Within appendix 1 you will find details of additional revision materials that can be purchased independently.
