UCAS Reminders

13 November is the deadline for all applications

- Check that your predicted grades match the entry requirements for all of your choices
- Only 'pay and submit' when you have finalised everything
- Be patient while we process applications

Sixth Form Standards

As members of our Sixth Form, we are proud ambassadors for the school both on site and within the local community. We ask all students to always show respect and consideration by driving safely, parking only in permitted areas, disposing of litter responsibly, and being courteous to residents.

Small actions can make a big difference, helping to maintain positive relationships with our neighbours and ensuring that our Sixth Form continues to be recognised for the high standards, maturity and professionalism of its students.

Career Pathways

On **Tuesday 10th November** you will have your first Career Pathways session for the academic year. The Career Pathway Talks are an excellent opportunity for you to hear from local and national professionals from a range of different employment sectors. This is to support you to consider your route after Sixth Form, and it can also be an excellent opportunity to network with individuals about work experience or internship placements to support future applications.

The bios for the speakers can be found here:
Career Pathway Bios

Year 13 Oxbridge Conference

18 of our Oxbridge applicants will be taking part in our annual Oxbridge conference on Wednesday 4 November.

Students will have the opportunity to meet other applicants from across the Alliance and take part in a practice interview.

Good luck to everyone involved.

Year 13 reports

Year 13 reports will be issued after half-term, and they will provide a useful stimulus for conversations at Parent/Carer Consultation Evening on Tuesday 10th November. Students are encouraged to reflect on the targets they have set themselves in Progression during the first half-term and review their study timetables to support revision for their mock exams in January.

University Open Days

University Open Days are a great way to explore the campus and decide whether studying there is a good fit for you. Search your open day, plan the most from your visit and see virtual tours and videos of campus life and facilities. **Click here** to view open days.

There are many other new opportunities live this week including some fantastic degree apprenticeships on the links below.
