15 December 2026	L2 BTEC Tech Award in Sport (CMM)

University and Apprenticeship visits - Wednesday 18 November

Attending a trip

You need to arrive to the correct location promptly to ensure the trip can depart on time. You can wear your own comfortable clothing, there's no expectation to wear business dress, however your attire must be appropriate for a school trip.

You must have a packed lunch and you will need a coat. This is because part of the day involves a campus tour which will take place outside.

Not attending a trip

If you are not attending a trip you are expected to be in school **Wednesday 18 November**. You need to attend school in your usual business wear and work independently in S10 – you should use the study folder to consolidate knowledge from your first half term.

You need to arrive in school by 9am to be registered.

Year 13 reports

Year 13 reports will be issued after half-term. These reports will provide a useful stimulus for conversations at Parent/Carer Consultation Evening on **Tuesday 10 November**. Students are encouraged to reflect on the targets they have set themselves in Progression during the first half-term and review their study timetables to support revision for their mock exams in January.
