Important Information about Year 13 Mock Exams

Dear Parents/Carers,

Please find attached the timetable for the forthcoming Year 13 mock exams. The written examinations will take place between Tuesday 3 January and Friday 13 January 2023.

Students will receive a more detailed timetable in due course, including which specific rooms their exams are in and additional information where students may have clashes.

In order for students to have the opportunity to prepare in the best possible way for their examinations, they will have study leave during this period. This means they will only be required to be in school when they have an exam. Study areas in school will however be open, if students would prefer to come in to school to work, or for students who may need to wait for buses after an exam and need somewhere to study.

Students studying design subjects, will have fewer written examinations and are therefore strongly encouraged to come into school to use the studio space and equipment during the mock period. Students can work independently in their own space, and teachers will be on hand to work with students during their normal timetabled lessons.

All exams will be conducted under formal exam conditions, therefore there must be silence upon entering and leaving the exam room as well as during the exam. Students must not take any type of device into the exam room, such as a mobile phone or smart watch. Bags and devices must be left in the bag room in advance of an examination. All writing equipment must be in a clear, see-through pencil case or plastic bag and any water bottles must be clear and have any labels removed. Students must conform to the Sixth Form dress code for all exams.

Over this half term, subject teachers are focusing on revision in lessons and setting formal revision activities on a weekly basis, for completion during independent study time. These resources are all available to students through the Year 13 Study class on Showbie. There will also be videos, recordings and drop-in sessions to support their preparation. We would encourage all students to make the most of these opportunities, to help support their preparation in advance of the Christmas holiday.

If you have any further questions, please contact any of the following staff:

- Mrs Jackson, Assistant Director of Sixth Form: jacksonc1@hgs.rklt.co.uk
- Mr Cannon - Assistant Director of Sixth Form: cannonm@hgs.rklt.co.uk
- Mr Twitchin - Director of Sixth Form: twitchinb@hgs.rklt.co.uk

Good luck to everyone.

Yours sincerely,

Mrs Moat
