## WEEK 8

Date	AM (9:15am start)						PM (1:15pm start)					
							Pearson	A Level	9FM0 4C	Further Mathematics	Paper 4C: Further Mechanics 2	1h 30m
Tuesday 27th June												
Wednesday 28th June	<b>CONTINGENCY DAY*</b>											

\*The contingency day is in the event of national or significant local disruption to exams in the United Kingdom, being part of the awarding bodies' standard contingency planning for exams. Following the Covid-19 pandemic, further resilience was needed within the exam timetables. A single contingency day was not felt to be sufficient if a national event or incident had a significant effect on the exam timetable. For example, summer exams could be affected by extremely high temperatures.

For the June 2023 exams, the awarding bodies have therefore introduced two additional half-day contingency sessions. These are on **Thursday 8 June 2023** and **Thursday 15 June 2023**. The standard contingency day remains at the end of the timetable being scheduled on **Wednesday 28 June 2023**. **All students should consider the contingency day of Wednesday 28 June 2023 when making plans for the summer and remain available until Wednesday 28 June 2023 in case examinations need to be rescheduled.**
