

## Strike Action – Education Provision

On **Tuesday 2<sup>nd</sup> May 2023** we expect you to follow your normal timetable, even though you will be working at home.

For some of your lessons your teacher will send you a TEAMS invite and will expect you to join at the beginning of the lesson. A register will be taken in each Teams lessons and attendance recorded. It is compulsory for you to attend these sessions.

However, if you don't have a TEAMS invite, we expect you to complete work using the [Oak Academy](#). For example, if in P1 you have English, you click on the link for your year group, to the English material. This material is linked to your current topic.

There are also a large number of materials, lessons and self-marking tests you can access via <https://www.bbc.co.uk/bitesize/secondary>

There is a KS3 section and a GCSE section, which is then in sections for individual subjects. If you have other subjects than the ones above on Wednesday, feel free to do some work using one of these sites.

You can access the HGS curriculum overview for your year group via the links below too, to see what you are learning this term. The work above links directly to these curriculum areas.
