Year 12 - World of Work Week: W/C 14 July

The final week of the academic year is set aside for work experience.

Students who are participating in a work experience placement have completed the required administrative processes, and school is completing the final health and safety checks to ensure that these placements can go ahead. Contact will be made with students and employers during the placement, and students will be expected to complete the Work Experience Logbook during the week.

Students who have signed up to virtual work experience opportunities will be allowed to complete these from home to ensure they have a quiet environment to focus on their individual tasks. Students are welcome to come in to school to complete these tasks if they would prefer. All students will be contacted by a member of the Sixth Form Team during this week and will also be expected to complete the Work Experience Logbook.

Year 12 Information

Parking and Safe Driving

Please remember the important information about driving and parking:

1. No student parking in the school staff car park.
2. Park thoughtfully and legally along Arthurs Avenue (so not on double yellow lines, across dropped curbs, blocking driveways or blocking other parked cars into tight spots).
3. Drive safely and with real care, especially on the roads around school.
4. The access only side streets off Arthurs Avenue are restricted to resident parking only: Cundall Way, Southway, Grasmere Crescent and Rossett Way. Traffic wardens patrol this area, and you will likely receive a ticket.

Please remember to drive safely.

Sixth Form Cover procedures

For any lessons where your teacher is absent, please ensure you register in S10 / Study. Your cover work will be with the teacher in S10. You are required to stay and complete the work during the lesson. If the timetabled lesson is a design or creative subject, you may be allowed to leave S10 to work in the subject area.

University Open Days

We will approve 4 days of absence for the open day visits, but this must be pre-approved in advance and not clash with exams.

Find out more about open days and browse the calendar: University Open Days are a great way to explore the campus and decide whether studying there is a good fit for you. Search your open day, plan the most from your visit and see virtual tours and videos of campus life and facilities. [Click here](#) to find out more.
