PHOTOGRAPHY

## SUBJECT: PHOTOGRAPHY

### **The secret to success in Photography:**

- Form a positive relationship with your teacher, be effective at communicating
- Keep up to date with weekly deadlines
- Practice using your camera, take photos whenever possible
- Look at things with a photographer's eye
- Learn about all the composition rules and how to apply them
- Learn how to use your camera so that you can paint with light
- Push your creativity
- Learn to direct people, talk to people and take yourself out of your comfort zone
- Follow all the tips provided by your teacher on how to annotate your work
- Produce work in one or more areas e.g. portraiture, location and studio, experimental imagery, installation, documentary, photo-journalism, moving image, fashion
- Use a variety of skills and techniques e.g. lighting, viewpoint, aperture, depth of field, shutter speed and movement.
- Use different materials and media e.g. film, photographic papers, digital media, graphic media for storyboarding, planning and constructing shoots

### **What exams will I take in the Summer Term?**

#### **1 x 10 hour exam**

**This will take place on in mid/late April – your class teacher will confirm the exact dates**

#### **Exam Board: AQA**

### **Support in school:**

Drop in revision sessions, your class teacher will share details of the dates and times sessions will take place

### **Ideas**

- Use keywords and terminology when carrying out further research – search carefully
- You should acknowledge and identify sources which are not your own, e.g. copy and paste website hyperlinks. Include these within your portfolio to declare and acknowledge what has been sourced and not written by you.
- Use websites inspired by photographers. There are so many websites to choose from, we would recommend initially looking at:
  - <https://www.nationalgeographic.com/>
  - <https://thephotographersgallery.org.uk/>

**Week 1: w/c 16 February 2026 – HALF TERM**

<b>You MUST do</b>	<input checked="" type="checkbox"/>	<b>RAG</b>
